JUST ARRIVED NIGERIA?

The 7-days self-isolation is mandatory and in our collective interest.

If you have any questions, please send an email to travelportal@ncdc.gov.ng

#TakeResponsibility
Every traveler to Nigeria must be tested **7 days** after arrival. Registration and payment for this test is required before travel to Nigeria.

In exceptional circumstances when payment is not possible before travel, payment for post-arrival test can be done on arrival, at the airport. This may cause delays to travelers.
INFORMATION FOR INTERNATIONAL TRAVELERS

All travelers* to Nigeria must register their travel history and pay for COVID-19 post arrival test on the *Nigeria International Travel Portal.*

This is a mandatory requirement to travel to Nigeria.

*Diplomats and Children* under age 10 are *exempted* from paying for post arrival test.
COVID-19 PANDEMIC is NOT OVER

Before traveling to Nigeria?
visit nitp.ncdc.gov.ng

1. Fill the health declaration and screening form
